Mehaffey's Construction
1029 SE Holbrook Ct
Bldg. C Unit 2
Port St Lucie, FL 34952

Dear Tim and Mark,

I would like to take this opportunity to thank Mehaffey's Construction for the great job that was done on the build out of our new Great Clips location, The Landing at Tradition.

When I first approached Mehaffey's to do this job I was faced with a tight schedule to get the store opened by October 20 and be part of the grand opening event by the shopping center.

We faced many obstacles in completing the project, but you found the way to get the job done on time. When we first signed our contract, I was very skeptical about the completion date, given my previous experiences with other contractors and the City of Port St. Lucie permit requirements. I was presented with a project timeline indicating a completion date of October 15. I was pleasantly surprised when you turned over the building to me on October 12, ahead of schedule, thus allowing me more time to prepare for my grand opening.

It was a real pleasure dealing with professionals who are dependable and know what they're doing. I appreciated greatly your availability whenever I needed to consult with you, and your quick turnaround time whenever you were faced with a problem. This is a sign of great organizational skills and customer focus. Yes, in fact, "You do show up!"

Again, thank you for a job well done. I will certainly call upon you in the future for all my construction needs, including my next location.

Thank you,

Sal Schifilliti
President
