Dear Mr. Mehaffey:

On behalf of Secure Property Management, I would like to thank Mehaffys Construction for their timely execution and completion of numerous projects completed. The work was addressed in a professional, prompt, timely matter and executed with out interruptions of daily activities.

I am sure we will have the opportunity for more work in the future and I would use Mehaffeys for those projects, and I would recommend their services to all that ask me.

Thanks again,

Sincerely,

Diane Elgrim, LCAM
