Mehaffey Construction

To Whom It May Concern:

Mehaffey did construction/repair work for Palm City Church in the summer of 2005 and we were well pleased with the efficiency with which the men worked and the quality of the work done. If the occasion arises, we would certainly call on the company again.

A handwritten signature in cursive script that reads "Polly Forestier". The signature is fluid and elegant, with a large initial "P" and a long, sweeping underline.

Polly Forestier,  
Building & Grounds Chair
