Dear Tim:

Enclosed please find the original notarized Notice of termination of Notice of Commencement. We are very pleased with the quality of the construction.

We want to thank you for the outstanding job you did on our addition. Like any big project, there were some minor problems along the way. That is to be expected in a project of this size. What sets you apart from other builders, is the way you handled these problems. Quite simply, you would acknowledge the problem and then fix it, even if it meant extra work and cost for you.

Again, we are very pleased with the final result. It was a pleasure working with you.

Very truly yours,

Mrs. Robert (Gale) Belanger
